Dear \_\_\_\_\_,

We are pleased to report another successful mission trip to Esquipulas, Guatemala.

Our team consisted of: **6 veterans** from the United States: Dr. Rob and Pastor Pat Henin, Dr. Greg, Dr. Cass, Jonathan CDA and myself: **12 new volunteers**: Dr. Angel, Heather Mokotov RN, Cecelia CDA, Sutton, Amelia, Val CDA, Mateo, Marisol CDA, Leila RDH, Raquel RDH, Yendis, and Stacey, (Thanks to Dr. Greg Mokotov for joining us and inviting eight talented individuals from his office): **9 dental residents** from the University of San Carlos: Emily, Gabby, Leslie, Josselin, Marco, Chan, Ceci, Genesis and Abraham: **8 student translators** from Esquipulas besides the **Kitchen of Love staff** under the direction of Elvin and Carla Pena. We made a trip to the mountains and had opportunities to give our testimonies and distribute food. We also distributed food to individuals and families that worked and live at the dump.

This year we had 2 pediatric dentists which allowed for more procedures per child patient. We treated 550 patients overall. We are seeing the benefit to the community as fewer patients needed extractions.

Special thanks to Henry Schein Dental for donating over \$2,500.00 in Dental Supplies and The University of San Carlos for loaning us four portable dental units.

Thanks to the following individuals who supported our mission this year: Peter and Carol Delaney, Dave Malcolm, Setsuko and Robert McNabb, Cynthia Czarnecki, Dr. William Liebman, Dale and Sara Petersen, Bebe Dudley, Barbara Smith.

God bless you all, Brad Heim DMD
