Dear Friend,

We are pleased to report on our latest mission trip to Guatemala. We had 5 veterans: Dr. Rob Henin, Pastor Pat Henin, Dr. Brad Heim, Lisa Harris RN and Kayla Dempsey RDH. 10 new volunteers from the USA: Dr. Greg Mokotov, Dr. Cass Burrell, Paige Kelly RDH, Justin Lasto RDH, Jenny Martinez RDH, Heather Walker RDH, Teresa Broussard CDA, Jonathan Brown CDA, Paula Simpson CDA, Margarita Wolf CDA. We had 7 dental residents from the University of San Carlos: Jorge Chan, Emily Contreras, Gabriela Gatica, Vera Lily Merida, Josseline Perez, Anabel Solares, and Genesis Veliz. Dr. Edgar Vallejo from Guatemala City. We were also assisted by 8 student translators from Esquipulas besides the Kitchen of Love staff under the direction of Elvin and Carla Pena.

We were able to provide dental services for 604 patients that included fillings, extractions, cleanings, fluoride treatments and instructions in personal oral hygiene. We also provided meals for all our patients and brought a hot meal and food staples to 70 needy families at the city dump. We began serving the people of Esquipulas in 2010. We have noted improved oral health evidenced by decreased need for extractions.

First and foremost, we thank God for giving us strength, compassion and the opportunity to serve. We appreciate all those who prayed for the success of our mission. Special thanks to Henry Schein Dental and GC America who contributed over \$2,000.00 in Dental Supplies. Thanks again to The University of San Carlos for loaning us four portable dental units. Thanks to the following individuals who donated funds to our mission this year: Jocelyn Heim, Peter and Carol Delaney, Dave Malcolm, Audrey Quinlan, Kirk Smallidge, Dr. William Liebman, Dale and Sara Petersen, Sue Curley, Matthew and Michael Bonner.
